

WORK CATEGORIES AND ITS DEFINITION

Please tick whichever is applicable

Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
1		TELECOMMUNICATION EQUIPMENTS			
1.1		Telecommunications Switching Systems	Mobile Switching Systems		
1.2		Wireless Access or Radio Systems and Solutions	Trunk Radio, GSM Base Station Equipments, Transmission Microwave Systems		
1.3		Optical Fibre Systems and Accessories	Multiplexer		
1.4		Optical Fibre Cables and Accessories	Pigtails, Fibre Optics Connectors, Splicing Machine, Fiber Optic Patch Cables, Termination Boxes, Optic Attenuators, Bare Fiber Adapters		
1.5		Telecommunications Accessories & Installation Materials	Coaxial Cables, Non-Optical Connectors, Dehydrators		
1.6		Value Added Services System	MMS, SMS, VMS, Mobile Portal		
1.7		Test Equipment	Optical Time-Domain Reflectometer(OTDR), Communication Analyser, Power Meter		
2		TELECOMMUNICATION INFRASTRUCTURE			
2.1		Supply, Install and Maintenance of Towers and Monopoles	Construct and Maintenance of Tower and Monopoles, Guyed Mast		
2.2	i.	Installation of Ducts only	Laying PVC Ducting, Internal Ducting, Construct Manholes,		
	ii.	Hauling and Termination of Optical Fibre Cables only	Hauling, Hacking & Pipe Jacking		
	iii.	Installation of Ducts, Hauling and Termination of Optical Fibre Cables	Laying PVC Ducting, Internal Ducting, Construct Manholes, Hauling, Hacking & Pipe Jacking		
2.3		Supply & Installation of Shelters for Communication Equipment	Phone Booths, Containers, Building Huts, Metal Cabinets		
2.4		Site Development	Land clearing, piling, earthworks and any relevant works prior to installation of DST's base-station and structures (monopoles, masts, towers, etc)		
3		CIVIL ENGINEERING WORKS			
3.1		Contractor - Building Construction, General	Constructing the building		
3.2		Contractor - Building Maintenance, General	Building Maintenance and Repair		
3.3		Contractor -Interior Decorators & Designers	Construction of Interior Decoration, Customised Furniture.		
3.4		Earth Works	Land-slide Protection and Recovery Works		
3.5		Interior Designing Consultancy	Designing and Consultant Work for Building - Exterior and Interior		
3.6		Supply of Interior Decoration Material	Carpets, Vinyl Flooring, Timber Laminated Flooring, Blinds, Curtains, Raise Floor System		
4		BROADCASTING ENGINEERING AND PRODUCTION			

DST THE FUTURE. NOW.		WORK CATEGORIES AND ITS DEFINITION		Please tick whichever is applicable	
Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
4.1		Post Production	Television Programms, Radio Programms, Videos, Audio Recording, Photography, Digital Art		
4.2		RF Broadcast Equipment	Related to Transmitter Equipment		
4.3		Broadcasting Equipments and Accessories - Audio & Video	Supply of Broadcast Equipments, mixers, Sound Recorder		
4.4		Antenna & Parabolic Dish	Supply, Install and service of RF anttenea, Parabolic Disc, including indoor wiring. Supply of RF Decorders		
4.5		Installation Materials & Accessories	AV Cables, Video Connectors, RF Connectors		
4.6		Tools and Test Equipment	Supply of Power Amplifiers, microphone, audio wireless microphone system, audio mixers		
4.7		Public Address System (PA System)	Supply of Power Amplifiers, microphone, audio wireless microphone system, audio mixers		
5		INSTALLATION AND MAINTENANCE OF ELECTRICAL AND MECHANICAL WORKS			
5.1		Electrical Services	Laying and wiring Electrical circuits, include Designing, Troubleshooting, installation of kWh Meter, Pipe-Jacking, Road-cutting, Excavation and Earthing System		
5.2		Light, Bulb, Fixtures and Electrical Components	Switches, power sockets, electrical cable and wires, light bulbs and fixtures, relays and contractors		
5.3		Standby Generator	Standby Generator, inclusive Troubleshooting Maintenance, Repair and servicing		
5.4		Electrical Instrument Measurement	Electrical Product eg Multimeter, Electrical Instrument measurement & Tools		
5.5		Power System, Equipment and Accessories	Power System, Equipment and Accessories, eg Rectifier, Highpower UPS, Converter and batteries etc		
5.6		Fabricating of Electrical Board	Fabricating, Supply, Delivery, installation testing and commissioning of Mains Switch Board and Mains Distribution Board. Inclusive designing of Electrical Single Line Diagram and Fabricating of Green Cabinet (Mains Distribution Board housing for remote area)		
5.7		Air-conditioning Systems	Window, Split, Cassatte, Precise and Chiller Type of Air-Conditioning		
5.8		Lift and Gondola System	lift system, gondola system and hoist		
6		SAFETY			

WORK CATEGORIES AND ITS DEFINITION

Please tick whichever is applicable

Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
6.1		Fire Protection System	Fire Alarm System, Fire Extinguishers, CO2/FM 200, Sprinkler System, Hydrant, Fire Rated Door		
6.2		Lightning and Power Surge Protection Systems	Lightning/Surge Protection inclusive Earthing system		
6.3		Personal Protective Equipment (PPE)	All Product/Equipment that provides head, foot, body, skin, eyes, respiratory & hearing protection.		
7		MOTOR VEHICLES			
7.1		Supply, Maintain and Install Tyre	Tyre, Alignment, Balancing, Mending		
7.2		Repair and Maintenance	General Services and Repair of Vehicles, including Trouble-Shooting, Overhaul, Supply and Replace of Vehicle's parts.		
7.3		Air-Cond Repair / Maintenance	General Service and Repair of Vehicle Air-Conditioning System, Supply and Install Spare-Parts		
7.4		Bodywork Repair & Painting	Body Repair, Painting and Windscreen Installation		
7.5		Car Rental Service	Saloon Car, Bus, Pick-up		
8		HEALTH & ENVIRONMENT			
8.1		Janitorial (Cleaning) Services	Building Premises Cleaning Works		
8.2		Pest Control Services	Control of Pest, Ants, Termites, Cockroaches, Snakes, Rats, Bees, Hornet, Flies, Mosquitoes		
8.3		Grass Cutting Service	Grass Cutting, Tree Cutting, Bush Clearing		
8.4		Landscaping	Flowers, Plants, Landscaping and Garden Maintenance		
8.5		Hygiene Products & Health Consumables	Cleaning Chemical, First Aid kits, Mineral Drinking Water, Water Treatment Systems		
9		SECURITY			
9.1		Guarding Service	Security Guards, Escort		
9.2		Alarm Monitoring and Response Service	Security Alarm System Monitoring and Respond to alarm activities		
9.3		Security Carrier Service	Bank-in Service, Valuable Items Secured Delivery		
9.4		Security Equipment	CCTV System, Door Access System, Security Alarm System		
10		INFORMATION TECHNOLOGY (IT)			
10.1		Computer Desktop	Desktop Computer		

WORK CATEGORIES AND ITS DEFINITION

Please tick whichever is applicable

Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
10.2		Computer Laptop	Laptop Computer		
10.3		Presentation Items	Projectors, IT Board, Projector's Screen, Laser Pointer		
10.4		Power back up System (UPS) Low Power	Uninterrupted Power supply		
10.5		Computer Software / Application	OS Software, Oracle, Windows, etc		
10.6		Computer Associated Peripherals	Printers, Scanners, Storage Device (CDRW, PenDrive, Hard Disc), Monitor, etc		
10.7		Network Equipment	Switches, Routers and accessories, Cisco Equipment		
10.8		General Network Equipment and Accessories	Hub, System Converters, Wireless Link System, Network Card, Modem		
10.9		Servers - Hardware and Software	Blade, NAS, Solaris, etc		
10.10		IT Security and Protection System	Firewall, IPE, Antivirus		
10.11		Network Cabling - Optical fibre, UTP cable and accessories	CAT5, CAT6, Fibre Optic RJ11, RJ45		
10.12		Racks and accessories	Racks equipment 19"		
10.13		IT System & Solution	System & Solution provider, Geographic Information System (MAP)		
10.14		System Integrator (S.I.)	An individual or business that builds systems or solutions for clients by combining non-proprietary hardware and software products from multiple vendors. Off-the-shelf hardware and software and/or customization of applications may be required by the SI to perform integration solutions to new or existing infrastructure.		
11		OFFICE EQUIPMENTS & FURNITURES			
11.1		Office Furniture & Fixtures	Office Tables, Chairs, Cabinets, Partitions, Cubicles, Sofas etc		
11.2		Office Equipments and Automation	Queuing System, Cash Register, Punch Card Machine, Shredder, etc		
11.3		Photocopy Machine	Photocopy Machine		
11.4		Facsimile Machine	Facsimile Machine		
12		GIFTS & SOUVENIRS			
12.1		Corporate Gifts	Corporate merchandising such as Pen, Book mark, Stationery set, cap, umbrella, Handfan, T-shirt, uniform, sport wares, Mirror, plastic, wood casing, Colored balloons, balloons sticks, emboss, sand blasting, plate engraving, computer engraving, Glass, Wood, Metal Trophy, Medals, etc		
13		SIM CARDS & RECHARGE COUPONS			

WORK CATEGORIES AND ITS DEFINITION

Please tick whichever is applicable

Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
13.1		Sim Card	Prima and Easi sim card		
13.2		Recharge Card	Easi, Simpur		
13.3		DST Card	DST Group Privilege Card		
14		ADVERTISING, SIGNAGE & BILLBOARD			
14.1		Advertising	Booked space and printing advert in Newspaper, magazines		
14.2		Signage	Supply, install and remove signage		
14.3		Billboard	Supply, install and remove billboard		
14.4		Leaflets / Flyers / Cards	Printing and supply leaflets / Flyers / Cards		
14.5		Posters	Printing and supply posters		
14.6		Banners / Backdrop	Printing and supply banners / backdrop		
14.7		Arch	Supply concept, artwork design, install and remove arch		
15		DESIGNING / ARTWORK			
15.1		Recharge Card	Provide concept and artwork design for Easi, Simpur, Zippi recharge card		
15.2		Printing Materials	Provide concept and artwork design for Leaflets / flyers, Posters, Advertisement, Booklets, Desk calender, Pocket calender, Diary, Organizer, wall planner, etc		
15.3		Festive Cards	Provide concept and artwork design for Festivities card (Hari Raya and chinese New Year)		
16		EVENT MANAGEMENT			
16.1		Roadshow Booths	Supply and/or install booths for exhibition or roadshow		
16.2		Artist Management	Supply and/or provide local / foreign artists		
16.3		Event Coordinator	Supply and/or provide resources to coordinate an event		
17		OTHERS			
17.1		Stationeries	Office Stationeries including Printer Cartridge, Toner, name cards, etc.		
17.2		Office Moving Service and Manpower	Supply of manpower for the purpose of office moving services		
17.3		Insurance	Property, Motor Vehicles & Staff Insurance		
17.4		Collecting Agencies	Debt Collect Agent		

WORK CATEGORIES AND ITS DEFINITION

Please tick whichever is applicable

Work Category	Sub Work Category	Scope of Work	DESCRIPTION/EXAMPLES	Area(s) to participate	Area(s) previously participated with DST
17.5		Courier & Freight Forwarding	Courier, Freight Forwarding and Transportation Services		
17.6		Disposable / Waste Management	Recycling and Waste Disposal
